

JUST BEFORE TOO LATE!

a Zoom discussion on

SATURDAY, OCTOBER 17 @ 1 PM EDT

JOIN US THIS SATURDAY! On May 30, our Zoom FORUM '70@50/2020 VISION laid a groundwork for addressing the issues challenging us at this time of historic transformational change. Over 125 participants considered how we could act both individually and together to adapt to a volatile present and help shape the future for the common good.

SATURDAY OCTOBER 17 join us for a pre-election FORUM '70@50.

FORUM '70@50/2020 VISION:
YALE 1970 FOR THE FUTURE

As open manipulation undermines institutions essential to constitutional government and peaceful society, discuss the immediate issue that affects the vital concerns that threaten our children and grandchildren's future: Preparing for the election and its immediate aftermath.

Share your observations and insights to help us expand our resources for effective action.
